

Food for Thought

February 2012

Meals on Wheels is open and delivering meals on President's Day, Monday, February 20th. If you are not able to deliver that day, please call the office and let us know as soon as possible.

Volunteer Information Updates

As the Volunteer Coordinator, it is my responsibility to make sure that I have completed Volunteer Applications on all volunteers. Accurate information allows me to communicate more effectively with you as well. Over the next few months, I will be making the effort to ensure that I have completed forms on everyone and updated information. If you deliver for a corporation or organization, I will contact the Corporate Liaison for assistance and if you deliver as a community volunteer, I will contact you directly. I appreciate your patience and understanding in keeping our database up to date!

REMINDER

Although we have been fortunate to avoid inclement weather so far this winter, please remember that if USD 501 is closed due to severe weather, MOW does not deliver meals. It is during times of snow and ice that we do need extra help getting meals delivered so let me know if you have a 4 wheel drive and would be willing to help!

If you haven't already, please like us on Facebook:
Meals on Wheels of Shawnee and Jefferson Counties

More than just a meal

You are part of the largest volunteer network in America, delivering meals to the homebound who are likely struggling with hunger. Along with those meals, you deliver dignity and compassion. Your efforts help our seniors better manage chronic illnesses and endure fewer hospitalizations through better nutrition. You help our clients stay independent in their homes and help them to avoid premature nursing home placements. Please keep up the good work. Continue to show up, complete the route sheets, give a few homebound folks a reason to smile. You are the eyes and ears of our program and we certainly could not do what we do without you! Your contribution to our program is important to our community and our staff sincerely appreciates your efforts .

Serving Shawnee & Jefferson Counties
